

Dr. Kristina Wickman  
The Department of Clinical  
Bacteriology  
Karolinska Sjukhuset  
Stockholm, SWEDEN

Do you know of any other recent work on the therapeutic  
use of microbial interference? NOV 29 1971

I recently read an anecdotal remark  
on the folk-medical use of *Bacillus subtilis*  
cultures in Vietnam. Are you acquainted with this?  
Please favor me with a copy of: "STUDIES OF BACTERIAL INTER-  
FERENCE IN EXPERIMENTALLY  
PRODUCED BURNS IN GUINEA PIGS", Acta path.micro  
scand. Section B. 78, 15-28, 1970
